**Welcome**

**Christmas Eve Service 2025**

Tonight we are celebrating a very special day on our church calendar, Christmas Eve. We pause to reflect on the wonder of Christ's birth. Through Scripture, song, and candlelight, we celebrate the light that entered the world and continues to shine with hope, peace, and joy. This year, we have followed Scrooge on his journey, witnessing his transformation and ultimate redemption. Celebrate with us as we hear how God can transform even the hardest of hearts, offering redemption, renewal, and the gift of new life through Jesus Christ, the true Light of the world.

You can also join us for our LIVE STREAM Christmas Eve Service. Tune in just before 7:00 p.m. on our website at [standrewswingham.ca](http://standrewswingham.ca) and follow the link at the top of the page "WORSHIP LIVE" or if you prefer to watch it directly on YouTube you can also click on [this link](#) to join us!
